15 MINUTES – One-Page Pitch

sci-fi thriller – 100–120 min – USA

When humanity's first crewed mission to Mars succeeds, the world watches in awe. Six astronauts embark on a historic journey that may redefine our place in the universe. But unknown to the public, all transmissions are delayed by 15 minutes - a buffer secretly used by those in power to control the narrative.

When the crew makes an extraordinary discovery, the leadership back on Earth has exactly 15 minutes to decide humanity's future.

What follows is a race against time, truth, and ambition - where one decision will determine the fate of us all.
