THE NEVADA BATTLE – One-Page Pitch

sci-fi thriller – 90–100 min – USA

During a live military training exercise in the Nevada desert, a U.S. special unit suddenly loses all communication with command. As strange phenomena unfold—flickering lights in the sky, vanished gear, and escalating panic -the team begins to question what kind of mission they've actually been sent on.

With no way to call for help and no explanation from their superiors, tensions rise, loyalties fracture, and fear takes hold. What begins as a war game turns into something far more dangerous, forcing each soldiers to confront the unknown - and the terrifying possibility that this is not only a war...
